What, if any, international opportunities does your institution offer to your faculty?

The institution does not offer international opportunities to our faculty.

Opportunities not offered to faculty, but faculty are permitted to travel internationally for research and teaching purposes - all international research collaborations must be cleared through internal and DoD channels prior to traveling. Costs paid by faculty's department or grant funding.

What, if any, opportunities does your institution offer to faculty from abroad?

Research

We are able to hire non-U.S. citizens for some positions as researchers, however all foreign applicants must be pre-approved by DoD/Pentagon officials prior to being able to accept a position. Faculty member grant or dept funding is required for salaries; visa costs borne by applicant.

From which geographic region(s) have these faculty come?

- Africa: Sub-Saharan
- North Africa/Middle East
- Central Asia
- East Asia/Pacific
- South Asia
- Central America/Caribbean
- North America
- South America
- Eastern Europe
- Western Europe

What, if any, international opportunities does your institution offer to your medical students?

- Clinical electives
- Clinical research opportunities

These opportunities are also pre-cleared. All our medical students are military - these opportunities are approved on a case by case basis and are treated as any international travel.

In which geographic region(s) have your medical students been placed?

- Central America/Caribbean
- North America
- South America

Are any of these opportunities available to medical students from other domestic institutions?

I don't know

Which of the following opportunities does your institution offer to medical students from abroad?

The institution does not offer opportunities to medical students from abroad.

Foreign medical students are not permitted to have patient contact. Approximately 2 foreign medical students visit per year as strictly observers.

What, if any, international opportunities does your institution offer to your medical residents?

Elective international rotations
Again, these opportunities are few.

In which geographic regions(s) have your medical residents been placed?

- Central America/Caribbean
- North America
- South America

Are any of these opportunities available to medical residents from other domestic institutions?

I don't know

What, if any, opportunities does your institution offer to medical residents from abroad?

The institution does not offer opportunities to medical residents from abroad.

With which entity(ies) does your institution collaborate to provide international opportunities?

- Other universities
- Government agencies (e.g., USAID)

From what external sources do you receive funding for your international activities?

Foundation
USUHS does not receive funding for international activities. If a faculty member is interested, funding must come from either their grant funding or dept funding. No separate funding for any international program at USUHS.

From what internal sources do you receive funding for your international activities?

Department
Again, if dept is interested, they must use own grant funding through a foundation, or dept funding.

Approximately how many faculty members at your institution participate in organized and established international opportunities?

0
