What, if any, international opportunities does your institution offer to your faculty?

- Research
- Medical education
- Clinical services

In which geographic region(s) have your faculty members been assigned?

I am not sure that faculty are 'assigned'. These are all optional experiences. We don't have a central location that keeps records. Anecdotally I believe faculty have served in just about all geographic regions although I am not sure about polar.

Are any of the above opportunities available to faculty from other domestic institutions?

Yes

What, if any, opportunities does your institution offer to faculty from abroad?

- Research
- Medical education
- Clinical services

We have participated in the FAIMER program in medical education. Clinical service opportunities are limited by licensure issues

From which geographic region(s) have these faculty come?

Again, we don't have a central database. The medical education faculty member was from the Ukraine. We also have programs in Emergency Medicine with Singapore and I believe Iceland and possible Japan.

What, if any, international opportunities does your institution offer to your medical students?

- Pre-travel preparatory course
- Pre-clinical research
- Pre-clinical 'spring break' or summer opportunities
- Clinical electives
- Clinical research opportunities
- Global health track

In which geographic region(s) have your medical

students been placed?

Are any of these opportunities available to medical students from other domestic institutions?

Which of the following opportunities does your institution offer to medical students from abroad?

Clinical activities

From which geographic region(s) have these medical students come?

I don't have a central database.

What, if any, international opportunities does your institution offer to your medical residents?

- A global health track
- Elective international rotations
- Pre-travel preparatory course
- Research opportunities
- Clinical opportunities

In which geographic regions(s) have your medical residents been placed?

- Africa: Sub-Saharan
- Central America/Caribbean
- South America
- Western Europe

I suspect some have gone to other areas also.

Which of the above opportunities available to medical residents from other domestic institutions?

Yes

What, if any, opportunities does your institution offer to medical students from abroad?

The institution does not offer opportunities to medical residents from abroad.

With which entity(ies) does your institution collaborate to provide international opportunities?

- Other medical schools
- Non-governmental organizations (e.g., IREX, World Bank, WHO)

From what external sources do you receive funding for your international activities?

- Foundation
- Individual donors

From what internal sources do you receive funding for your international activities? (Please check all that apply):

Department

Approximately how many faculty members at your institution participate in organized and established international opportunities?

11 - 20
